NEW Level 1 Rooms:	No Level 1 Rooms for New Level 1 Interns in Summer 2021.
Bodywork Shifts	Please indicate at the time of your Clinic Registration appointment whether you hope to complete the shift as Medical Qigong or Tuina. We ARE currently planning to register interns and schedule Bodywork patients in the Summer 2021 term.
Virtual Clinic Shifts:	Virtual shifts in Summer 2021 are changing; only 2 will be offered on Wednesday evening, 7-10 pm & Friday morning. This is part of the collaboration with Jiangu Hospital in China. Both sections will meet all 8 weeks of the Summer 2021 term, and co-enrollment in both is required. All hours count toward clinic hours.
Virtual Observation Shifts:	Pre-Internship Observation can be completed during Clinic Theater 1 in Summer 2021 (Tues/Thurs Afternoons), enroll in this section as an Observation shift. Individual Observation shifts will be registered on an as-needed basis; contact Reagan Taylor if you think you may need an Observation shift in SU-21 (starting internship in FA-21).
Other Notes:	Due to COVID19 scheduling limitations, South clinic shifts will be limited to 4 interns in the Summer 2021 term. For interns registering on Tuesday morning of clinic registration, be sure to have back-ups in mind and check the updated PDF schedule for closures. AOMA reserves the right to change clinic supervisors as needed without notice. Clinic supervisors may have substitutes without notice.
